Spring Break TIPS:

- Most of the action during the day is on the Beach behind the superclubs and larger hotels. You'll find giveaways, contests, activities and THOUSANDS of Spring Breakers.
- Many of the clubs increase their cover charge throughout the night. Call ahead and find out what the specials are - you may be able to show up early, get your hand stamped, and come back later.
- If you don't want to sit in traffic on Front Beach Road, try Middle Beach or Back Beach. An alternate route can save you hours of frustration when you're supposed to be at a club.
- Don't wear jeans to a foam party. In fact, wear as little as possible!
- Bring a digital camera and take lots of photos. A digital camera will save you the hassle of finding a film shop to develop your risque Spring Break photos that you will use to blackmail your friends.
- If you're a hottie, enter all of the bikini contests you can. You could win great prizes including bar tabs for you and your friends. If you're not hot, don't enter.
- *Beach Survival:* Sunblock, sunglasses, towels, drinks, football or frisbee, camera, and plenty of water (be careful, alcohol can worsen dehydration)
- *Spring Break Survival:* Condoms, pain reliever, keep an eye on your drink, and don't drown (Red Flag means stay out of the water)
- Watch **Club Hour** on **Beach TV** (channel 7 in your hotel) for everything you need to know about Panama City Beach nightlife and Spring Break!
- Go to **TripSmarter.Com's Forums** to meet other Spring Breakers, find answers to any other questions you might have, and browse the largest Spring Break photo gallery on the Internet!
